MEMORANDUM FOR: Director, National Photographic Interpretation Center

Art:

Since I was somewhat responsible for establishing the agreement between the Agency and [] which involved the use of your facilities in the production of pictures for the Agency, I wanted to write before I leave and thank you for your participation and cooperation.

25X1

[] has told me of the considerate and helpful treatment which has always been afforded him by your people. He has called attention especially to [], in their supervisory and support roles, respectively, [] who manages your processing laboratory, and [] the night foreman in the print shop. It is very gratifying to me to hear from Jim about the quality of these men who really carry out the production efforts and the excellent young men who are associated with them.
